

Strathmore StoreFront School: Adult Learning Program Guide

School Year of 2024/2025

“The Strathmore StoreFront School strives to create an inclusive environment that fosters relationships and connections allowing students to achieve their maximum potential.”

StoreFront School’s Mission Statement

Alberta Education Mature Student Status:

A mature student, for Alberta High School Diploma purposes, is one who, as of September 1 of the current school year, is:

- 19 years of age or older, or
- the holder of a previously awarded high school diploma from the province of Alberta, or an equivalent high school diploma from a jurisdiction acceptable to the minister

Mature student status is granted effective September 1 for the subsequent school year. The above criteria are to be satisfied prior to September 1.

Learning Strategies 15, 25 & 35

The online education the student receives through the Learning Academy involves many aspects of learning and skills in digital technology. From the ability to use our Learning Management System (Moodle) and navigate our digital classroom in a way that is safe and responsible, to the ability to upload, download and use the tools provided, showing expertise in Word, Spreadsheets, and Presentations.

High School Option Courses

CTS, Fine Arts, Locally Developed, etc.

These credits will count towards achieving an Alberta Education High School credential.

Available Online Courses Cont'd.

Courses are offered asynchronously through the Golden Hills Learning Academy's Moodle platform.

Special Projects 10, 20 & 30

Special projects serve 2 major functions:

1. Students become involved in the selection, planning and organization of their own programs.
2. Students pursue activities in which they have considerable interest or ability but which are not within the scope of the regular curriculum or the programs being offered in the school.
